Statements of Support

Faculty Support

We, the undersigned faculty of this department, present these application materials to the National Council and Chapters of Kappa Mu Epsilon for consideration in granting a Kappa Mu Epsilon chapter charter. Furthermore, we agree to support and be active members of both the national organization and the local chapter, if a charter is granted. (At least two signatures are required. It is expected that one of these faculty members will be the Corresponding Secretary and at least one other a Faculty Sponsor.)

Administrator Support

The petition has the approval and support of the Administration as signified by the following signatures. (Signature of the Department Chair and at least one administrator above the department level are required.)

Name	Position	Signature

Candidates for Initiation

We, the undersigned, petition that a chapter of Kappa Mu Epsilon be granted this institution.

Students who sign signify that they satisfy the criteria for membership in KME as listed in the KME National Constitution.

- A. must be a regularly enrolled student at an institution where a Kappa Mu Epsilon chapter is installed;
- B. must have completed at least three semesters (or five quarters) of the college course and rank in the upper 35% of his/her class;
- C. must have completed at least three college courses in mathematics including at least one semester (or two quarters) of calculus and attained an average of B or better in all mathematics courses;
- D. must have completed at least one semester (one quarter) at the institution, if having transferred from another institution, and have completed at least one mathematics course with a B or better at the institution prior to induction into membership.

At least 10 signatures are required; some faculty members may be included in the 10.
